**Industry and PSIA/AASI Involvement:**

I have served on the PSIA-NW board since 2002 as a representative from Stevens Pass. I have also been the Executive Vice President of the board for the past 8 years and continue to serve in that position working with the bylaws, ethics committee, elections and fundraising for our scholarship fund. I am also the Region 1 Member School Director. In that capacity I hold meetings with the Region 1 Ski School Directors each fall to give them information about our division activities and plans. I am also available to answer questions from these directors at any time. Our meeting this year focused on how to maintain and grow the instructor and student numbers in our schools especially after a low snow year.

In addition to the above, I am also the director and co-owner of Olympic Ski School at Stevens Pass. In this position, I am able to really understand the needs of the PSIA-NW members in the Stevens Pass Region.

**Reason for wanting to serve as Member School Representative and/or on the PSIA-NW Board of Directors:**

I am running for the Position of Board Representative from the Stevens Pass Region. I have very much enjoyed this job for the past few years and am willing and happy to continue to serve on our Northwest Board. I have had an opportunity to meet and talk with many members of the Northwest Division through various clinics, academies and symposiums. In speaking with them I have been able to answer questions about our organization, scholarships, membership etc. I think that I can again be useful as a member of the NW Board of Directors.
